Dear Representatives Roskam and Vargas,

The Jewish War Veterans of the United States of America (JWV) thanks you for your support of Israel in the U.S.-Israel Trade and Commercial Enhancement Act. This bipartisan legislation discourages the growing boycotts and sanctions movement against Israel and seeks to further strengthen the economic relationship between the United States and Israel.

Given the alarming rise of anti-Israel and anti-Semitic sentiments across the globe, this bill “will ensure that American free trade partners never engage in this harmful and illegitimate political protest against Israel, while also protecting U.S. companies from foreign lawsuits targeting their associations with Israel.” It also confirms the United States’ commitment to counter economic discrimination against Israel and promote peace and stability in the Middle East.

JWV applauds your hard work in promoting a strong relationship between Israel and the United States.

Sincerely,

COL. Maxwell Colón, USA (Ret.)
National Commander
