Re: H.R. 1104 - Fair Treatment of All Donations Act

Dear Congressman Roskam:

I write on behalf of Citizens United and our half million members to wholeheartedly support the enactment of H.R. 1104 - the "Fair Treatment of All Donations Act."

Congress should act quickly to correct the anomaly in the federal tax code that punishes individual donors to IRC § 501(c)(4), (5) and (6) groups by subjecting their gifts to the federal gift tax, while exempting similar gifts to charities and political organizations. There is no valid reason for subjecting donations to social welfare organizations, labor organizations, and business leagues to the gift tax. We are quite pleased to learn of your sponsorship of legislation to correct this aberration and urge the 114th Congress to pass H.R. 1104 forthwith.

Sincerely,

David N. Bossie
President
