His Excellency Narendra Modi
Prime Minister of the Republic of India

Dear Mr. Prime Minister,

It was an honor to meet with you during your visit. As the co-chairman of the Congressional India Caucus, I admire the leadership you have shown in outlining a vision for continued opportunity, growth, and prosperity for the Indian people.

Your personal story of rising from humble beginnings to lead a great and thriving nation is a moving reminder of the shared aspirations that animate those we represent.

My wife, Elizabeth, is a talented painter, and has prepared a painting of the iconic United States Capitol titled "Luminary Dome" in honor of your visit. I hope this scene will symbolize the great promise ahead as our two countries work together to achieve a brighter future. I am confident that the strong U.S.-India partnership will remain a vitally important and positive force in achieving that potential in the days ahead.

With thanks for your strong leadership, I am

Very truly yours,
