The Honorable Peter Roskam  
2246 Rayburn House Office Building  
Washington, DC 20515

Dear Congressman Roskam:

On behalf of *ACT for America*, its 285,000 members and 890 local chapters nationwide, I write to you today in strong support of your recently introduced legislation, H.R. 825, the *United States-Israel Trade and Commercial Enhancement Act*.

Europe's increasing support of a Boycott, Divestment, and Sanctions (BDS) campaign against Israel is an issue of deep concern to ACT for America.

Israel and the United States are on the front lines of the war of civilizations between western democracies and brutal terrorists. Our two nations are fighting the same enemy and *ACT for America* has been a consistent and staunch supporter of Israel, our only democratic ally in an increasingly hostile Middle East.

Passage of H.R. 825 will send a clear message to the world that the United States stands in firm solidarity with Israel and will not tolerate politically motivated barriers to any aspect of its commerce. During these particularly dangerous times, our nation should be doing all that it can to protect and support our long-time democratic ally, not allow or participate in actions that seek to tear it down.

Please be assured that *ACT for America's* 285,000 national grassroots advocates will work to ensure that this important proposal moves rapidly and successfully through the U.S. Congress.

Thank you for your leadership and for your continued efforts to make our nation safe and secure.

Sincerely,
