**Supporting Israel Around The World**

Dear Representatives Roskam and Vargas,

StandWithUs applauds Representatives Peter Roskam (R-IL) and Juan Vargas (D-CA) for co-sponsoring the Israel Trade and Commercial Enhancement Act, bipartisan legislation, which discourages prospective US trade partners from engaging in economic discrimination against Israel.

Thank you for your courageous stand against the war to isolate Israel.

Your bill, which discourages “politically motivated actions” to boycott and sanction Israel and discrimination against any “United States person carrying out business operations in Israel or in any territory controlled by Israel,” is crucial to counter the economic warfare launched against Israel.

We appreciate your efforts on behalf of a strong U.S.-Israel relationship. The Israel Trade and Commercial Enhancement Act is testament to the unbreakable bonds between the people of Israel and the people of the United States.

Sincerely,

Roz Rothstein, CEO of StandWithUs
